David Belden is a history teacher at Minooka Community High School. His Local History class students have digitized thousands of postcards and researched hundreds for publication, by Arcadia Publishing. Many postcards are printed from our local areas. They tell a story of our towns, buildings and people. He will also discuss the other local history projects that are currently underway, including school histories and area historic walking tour brochures.

The Braidwood Area Historical Society is sponsoring this presentation with the Will County Heritage Alliance and the Fossil Ridge Public Library.
